STAT MEMORANDUM FOR:
Office of General Counsel

STAT FROM:
Black Affairs Program Manager

SUBJECT: Black History Month 1989

1. The Office of Equal Employment Opportunity would like to invite Congressman Stokes to be the guest speaker for our 1989 Black History Month Program. The program is tentatively scheduled for 16 February, however, our schedule is flexible so if another day in February is more convenient for Congressman Stokes we will try to accommodate.

2. We would like Congressman Stokes to give a one-half hour presentation on the 1989 Black History Month National Theme (to be determined), or on a subject of his choice relative to the occasion. The program will begin at 10:00 am and last for approximately one hour. Afterwards we would like for Congressman Stokes to have lunch with the DCI and other ranking Agency officers, and selected guests.

3. If Congressman Stokes agrees to participate the planning and other details can be coordinated between myself and Calvin Humphries, or any aide the Congressman designates.
